FACTS TO SHARE: GWI IN 2019

- GWI monthly expenses were drastically cut during 2016-2019
- GWI is now financially stable
- No deficit is planned for 2020, 2021 or 2022
- The pledge to CHARGE and the Clinton Global Initiative is officially acknowledged and annulled
- It employs 1.6 persons for 15,000 members
 - Complimented by creative university internships and Swiss govt. unemployment scheme

GW I 33rd TRIENNIAL

WHAT IS GWI DOING IN 2019?

- It is our **international link**
 - To NFAs & individuals in 72 countries (15,000 women)
 - To our attracting younger members for our survival
 - It works year round at the UN and its many agencies in Geneva, Vienna, Paris & NY, at World Trade Organization, and at International Labour Congress
- It works to **empower women and girls through education**
 - Bina Royal Projects in development i.e. Ghana, Egypt, Mexico, Turkey, India, South Africa, Sierra Leone
 - Teachers for Rural Futures in Uganda
 - Hegg Hoffett Fund for Displaced Refugees
- **Advocates** on GWI Policy
- Implements a comprehensive **communication plan** – Newsletters, Social Media posts , GWI Discussions
- **Are you keeping informed?**

GWI 33rd TRIENNIAL

CONSIDERATIONS GOING FORWARD

- 33rd GWI Triennial a profound experience
- National has become global – they intersect
- Empowering women through education more important than ever
- All connected – education, trade, development, human rights, peace, security
- Women must become informed, work together and move on as one

GWI 33rd
